

DEKOR® Savona Post Cap Lights

The DEKOR® SAVONA post cap light showcases an elegant modern appeal with unique features. By design, DEKOR combined a pyramid style with a top flat cap detail, held by architectural corner columns. The light is powered by CREE LEDs that display a delightful, warm, downward glow, and creates peaceful ambiance for you to enjoy throughout the year. Savona is designed to fit perfectly and integrate discretely onto a 2", 2.5", or 3" aluminum railing or fence post.

Mechanical

Post Cap Sizes:
